

BRAIDED LADY
There's no hotter hair trend this season than beautiful braids. Bang-on-trend, this is a style easily adapted for any face shape and hair type. Wrap up your long locks into chunky plaits or twist and pin your shorter 'do for a stylish up-do with a whimsical edge

PUMP UP THE VOLUME
When it comes to glamour, it's all about volume. Bigger is better for cascading curls for an evening out. Channel your inner Hollywood star with tresses that demand instant attention
